I am a member of the following fraternal and social societies and clubs _____

My cheque for the entrance fee of \$ _____ accompanies this application.

The entrance fee may be paid in two installments – one half initially and the balance plus interest of 10% per year, on the first anniversary date, or upon obtaining moorage; whichever occurs sooner. The entrance fee or any part thereof is non-refundable once accepted as a Member by the Executive.

I have never been refused membership in, or been expelled from membership of any Club or fraternal or social society. (If statement should be in the affirmative, please state particulars.)

I have read and agree with the Club Bylaws.

I understand and agree that the Club Executive has the right to make final decisions on all matters not specifically addressed by the Club Bylaws. These decisions will be made in the best interests, or spirit, of the Club.

I clearly understand that the Executive of Eagle Harbour Yacht Club reserves the right to refuse to consider this application and that any misstatement or misrepresentation of fact made by me in this application shall be full and sufficient reason for the Executive of the Club to refuse to consider my application, or if accepted, to cancel my membership at any time without refund of any entrance fees or dues paid by me.

The rules of Eagle Harbour Yacht Club regarding allocation of mooring at the Eagle Harbour Yacht Basin are as follows:

If applications are received from Members and all available moorage space has been allocated, the Rear Commodore shall cause a waiting list to be kept which will include the names of Members who have stated their intention of applying for moorage space and the moorage space required. Note: the space required relates to the overall length of the Yacht including all attachments. Please see video "How to measure your boat" on the EHYC website for the exact measurement procedure.

The length of time a Member has their name on the waiting list does not determine priority for moorage allocation. Any existing Member with a lower membership number can apply for moorage at any time and will be given priority over Members with a higher membership number (ie. less senior member) regardless of whether they were on the waiting list or not, provided they meet the requirements outlined in SECTION C MOORING - REAR COMMODORE ASSIGNMENT OF MOORAGE, a copy of which is appended to this application form.

It is the wish of the Executive of Eagle Harbour Yacht Club that all persons joining the Club should understand these rules and should therefore not be disappointed at the length of time they may have to wait for mooring.
