

## Guidelines for Visitors to PRYC

Point Roberts Yacht Club offers 48 hours of complimentary moorage, after which moorage will be charged at \$1.00 per foot per day. Electricity (30 amp) is \$5.00 per day. Privileges are extended to two vessels at one time and visits shall not exceed one stay in any 30 day period, limited to 2 days per calendar year.

Only PRYC member's vacant slips and guest moorage slips are made available for reciprocity, so call ahead for availability and to **make a reservation**.

The Point Roberts Marina will be monitoring **Channel 66A** (monitored during working hours; when the office and fuel dock are open).

Prior to your arrival, contact the Marina on your VHF or by telephone and identify which club you represent and that you are seeking reciprocal privileges with Point Roberts Yacht Club. They will direct you to a slip. The Marina office is located on the second floor and is open during office hours 9:00 am to 5:00 pm, 7 days a week during boating season, 9 to 5 Tuesday through Saturday during the winter. In the event you are unable to contact the Marina on the radio after hours, call Security by telephone at **360-945-2166**.

You will be required to present your current membership card and fly your club burgee while moored as a guest.

Point Roberts is an excellent point of entry into US waters from Canada. You may clear customs by stopping at the Customs dock located on starboard as you enter the marina and phoning US Customs for clearance. There is a public phone on the gas dock and one on the main building by the Chandlery. A full service boat yard, chandlery, showers (\$0.25 CDN/US) and restaurant/pub (closed for fall/winter) are available at the marina.

Point Roberts Marina staff will be pleased to provide you information about services available in Point Roberts. If you wish to learn more about Point Roberts, please go to:
